

| | | | | | | |
|------------------|-----------------------------------|-------------------|----------------------------|----------------|---------------------------|-------------------|
| Manufacturer | CBFI | Enquiry No. | CBFI-2014-6-21-MB30 | | | |
| Terms of Payment | T/T | Time of Validity | 15 DAYS | | | |
| Item | Product's Name | Quantity (set) | Unit Price (USD) | Weight (Kg) | Delivery Time (day) | Amount (USD) |
| 1 | Ice Block Machine MB30 | 1 | | | 30 | |

Note:

1. Price: it is FOB Guangzhou price.
2. Packing: standard wooden case for main frame.
3. Payments: T/T, 30% as advanced payment, the balance will be paid before shipping.
4. Warranty period: one year for the machine.
5. Delivery time: 30 Days after receiving the advance payment.

2. Block Ice and Production Design of MB30:

| Item No. | Design | Weight of Ice and Machine | Size of Ice and Machine (need consider some space for operate machine, move ice and people walk around) | Ice Model Quantity | Time for Ice Formed | Times in a Day | Total in a Day |
|----------|----------|---------------------------|--|--------------------|---------------------|----------------|----------------|
| MB30 | Design A | 25kg | Ice: 120mm×300mm×860mm 120mm×260mm×860mm | 40pcs | 7.5hours | 3times | 120pcs of 25kg |
| | | | Machine: 1900mm×750 mm×1500 mm Tank: 2510mm×1650mm×1250mm Cooling Tower: Φ1375 mm×1840mm | | | | |

Note:

1. Weight and size of each ice block we can design as your requirement.
2. Size of machine is before installation, it is for reference only.
3. we will prepare matched cooling tower for the machine, it will be installed in the outside.
4. It is completely machines that we offer. It contain main frame, salt water tank (inside the tank is ice block cans with shelf, agitator, coil evaporator on the top of the tank is covers), cooling tower, water pump, water pipes and water pipe fittings.

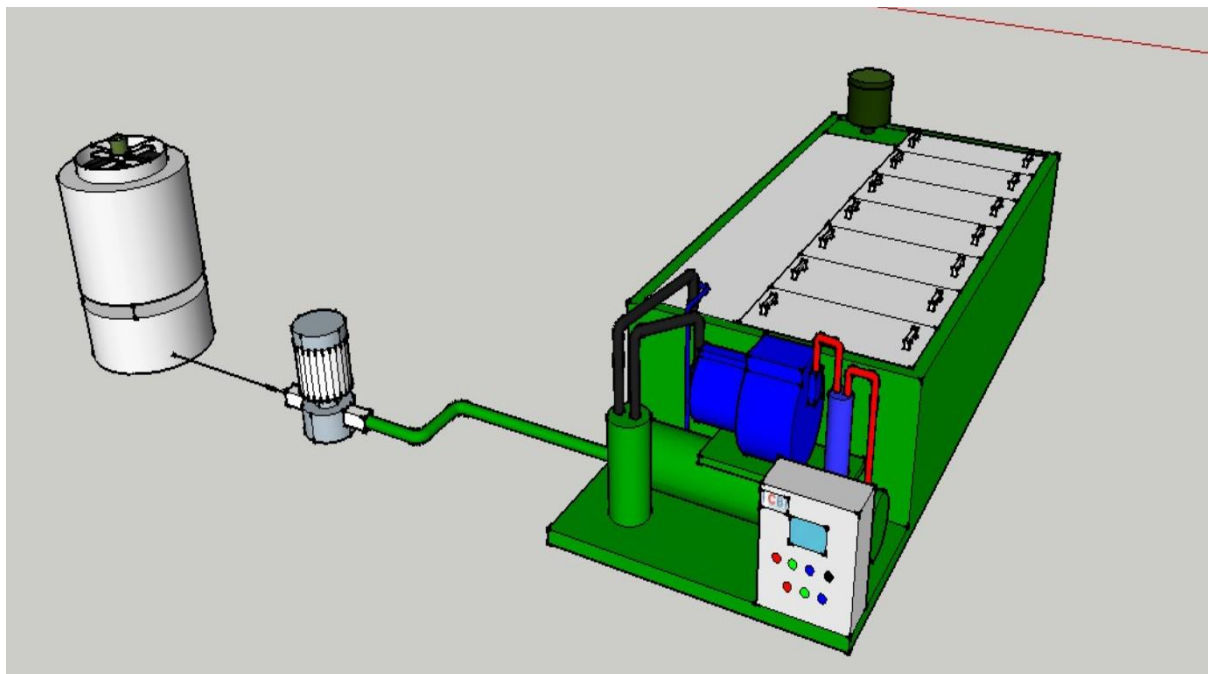

3. Performance Parameters for Ice Block Machine MB30:

| NO. | Parameters | Technical data |
|-----|----------------------------|-------------------|
| 1 | Name | Ice Block Machine |
| 2 | Model | MB30 |
| 3 | Quantity | 1Units |
| 4 | Daily output | 3tons/day |
| 5 | Noise | 55dB |
| 6 | Weight | 1300kg |
| 7 | Refrigerant | R22 |
| 8 | Evaporating temp. | -15°C |
| 9 | Condensation temp. | +40°C |
| 10 | Necessary cooling capacity | 30.6kw |
| 11 | Input water temp. | 28°C |

4. Main Components Brand for Ice Block Machine MB30:

| Item | Name of Components | Brand Name | Country |
|------|------------------------|---------------------|-------------|
| 1 | Compressor | BITZER | Germany |
| 2 | Evaporator | CBFI | China |
| 3 | Water condenser | CBFI | |
| 4 | Expansion valve | DANFOSS | Denmark |
| 5 | Solenoid valve | CASTAL | Italy |
| 6 | Electrical components | LG | South Korea |
| 7 | Ice block can material | Stainless steel 304 | |
